Answer Your Telephone Promptly

One habit that will do much to help improve the quality of your telephone service is the habit of answering your telephone promptly.

Promptness in answering is a courtesy that your telephone caller appreciates—delay may cause him to abandon the call.

In one large city records show that on nearly seven out of every 100 telephone calls there is a delay of more than a minute before the called party answers. This occurs thousands of times daily, and in one-fourth of the cases the party calling *does not wait*.

To help yourself and others to receive a better quality of telephone service, why not make it an invariable rule to *answer your telephone promptly?*

WHY IT SUCCEEDS

Because It's For One Thing Only, and Louisa People Appreciate This.

Nothing can be good for everything. Doing one thing well brings success.

Doan's Kidney Pills are for one thing only.

For weak or disordered kidneys.

Here is Louisa evidence to prove their worth.

Mrs. J. H. Hatcher, Lock Ave., says: "I have used Doan's Kidney Pills off and on for several years and have been greatly benefited by them. Sometimes my kidneys have become disordered causing my back to be weak and lame. I have not only suffered in this way but have had dizzy spells and nervous headaches. My kidneys have been too frequent in action, also. Not once has a box or so of Doan's Kidney Pills failed to help me. They have always rid me of the symptoms."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hatcher had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.
